More than a Gift!

After 28 years of serving children through Coalition For Kids, you might think I've seen just about everything. But there is one thing that never gets old: seeing the face of a child who realizes someone truly cares about them.

Christmas has a way of reminding us of what matters most. For many of us, it's a season filled with family, traditions, laughter, and gifts beneath the tree. **But for hundreds of children in our community, Christmas can look very different.** Their parents are working hard, doing everything they can just to keep food on the table and a roof over their heads. **And sometimes, no matter how hard they try, there's simply nothing left for Christmas.**

I wish everyone could see what I have seen over the years. The excitement in a child's eyes. The smile that stretches across their face. The joy of receiving something they never expected. But what touches my heart most isn't the gift itself. It's knowing that, for a moment, a child who may have felt overlooked or forgotten realizes that someone thought about them. **Someone cared. Someone loved them enough to make a difference.**

Our goal is to give Christmas to over 600 children in our care in need this year.

SHOPPING FOR OTHERS
C4K

Your gift of $125 will allow a child to experience the magic of Christmas.

That's the heart behind Shopping For Others. We're not just buying Christmas presents. **We're reminding children that they matter, that they are loved, and that they have not been forgotten.** And isn't that the very heart of Christmas? **God loved us so much that He gave us His greatest gift, Jesus Christ. Now we have the privilege of sharing that same love with others.**

This Christmas, I'm asking you to join us once again. Help us make sure that children who might otherwise go without experiencing the joy of Christmas. **With a gift of $125, you can help provide a child with a Christmas filled with joy, hope, and the reminder that they are loved.** Will you join us in making Christmas special for a child this year? Together, we can do something that will last far longer than the gifts beneath the tree.

Because sometimes the greatest gift a child receives isn't what's inside the box. It's knowing someone cared enough to put it there.

From my family to yours, Merry Christmas, and thank you for helping us share the love of Jesus with the children of our community.

83%

of our families earn less than $20,000 annually.
