## Coalition For Kids

### Merry Christmas and a Happy New Year!

#### The Grace of God

In 1999, we had 25 kids to serve that lived in one apartment complex. Today the kids we will be serving at Christmas who will not have Christmas without us is over 550. I am in awe at God's favor over this ministry as we **currently serve over 800 kids a day in 19 schools** and God has supplied our needs for 24 consecutive years.

When I think of the GRACE of GOD, the words "enormous", "overwhelming", "magnanimous" come to mind.

Does the word "strategy" or "plan" ever come to mind? **For us to serve, feed, educate and pray for over 800 children a day requires** tremendous strategy and planning. And the only way that we can provide that is by **the GRACE of GOD.**

If you just read this and agree, say Amen, and read on.

I believe we have similar foundational beliefs... **We need God in our lives, and we need God to direct us as we raise children in this world.** This world is not the way I had wished it would be at this point, but I do believe that God is still on the throne and is still in charge and that we are with Him. Because we are either with Him or against Him and I say again "We are with Him".

**Our goal is to give  
Christmas to 550  
children in our care  
that are in need  
this year.**

**Your gift of \$125  
will allow a child  
to experience  
the magic of  
Christmas.**

**Each gift of \$125 will allow a child to experience Christmas.**

I believe our future is in how we take care of our children, and I am committed to serving you through serving the children.

**I am committed to making sure every child we come in contact with is given a strong foundation of faith, the ability to read, and the knowledge that someone loves them and is praying for them.** That's a real difference.

Let's be honest, in our own lives we give way too much to those that have way too much already (our own children). No child deserves to be left behind. So, I ask, would you join me in making that difference? **Join me this Christmas, giving in the spirit that says... "the world will be changed by our children, and I want to be a part of that change through my giving."**

**May your Christmas be filled with joy, grace, and the everlasting love of God.**

Sincerely,

Troy R. Hensley  
C4K Executive Director
